MAY 20-JULY 30, 2023

APPLICATION REQUIREMENTS FOR ARCHITECTS

- Projects must be implemented and completed in the three-year period 2020-2022.
- Designers can be of any nationality and projects can be implemented worldwide, with no geographical restrictions.
- Projects must meet the values described in The New Togheter Manifesto.

Required application materials: 10 low res images, descriptive text of the project (max 1,200 characters) + studio profile sheet (max 1,200 characters) are required.

Transmission of materials can be via link (no via wetransfer, no expiration date) to the following address: **application@platformnetwork.it**.

SELECTION STEPS

Process selection will take place through two steps:

Step 1: the application of projects through email submission can be made in the period from July 20 until November 30, 2022. This application is for free.

Step 2: the selection of the projects admitted to the Exhibition will be made by the scientific team coordinated by Luca Molinari, architecture critic and Editorial Director of Platform, Simona Finessi and Angelo Dadda, Co-founders of Platform.

The projects selected will be communicated to the architects via email until December 2022.

WHAT HAPPENS IF YOUR PROJECT IS SELECTED?

Each studio selected and admitted in the Exhibition and Catalogue will have to pay to Platform Network Srl a **Participation Fee of Euro 2,500 + VAT**, to be paid in one or more tranches, but in any case until February 2023.

THE PARTICIPATION FEE INCLUDES

- Inclusion in the **Exhibition Graphic Panels** and **4 pages** dedicated to the selected project in the **Exhibition Catalogue**.
- Lecture during **Platform Architecture Festival** to be held in **Venice June 2023**.
The studio will have to provide its own travel costs for its participation at its own expense.
- **Video and post-production** of the **lecture** during Platform Architecture Festival and its publication on **Platform Architecture Youtube** account.
- **Casa Platform Venezia Newsletter** about the selected projects to the international database (500,000 contacts).
- **Online publication** of the selected project www.platformarchitecture.it
- Dedicated post about the selected project on **Social accounts** Platform Architecture (IG/LKD/FB) during May - July 2023.
- No. **5 copies** of the Exhibition Catalogue

Step 3: The studio has to deliver the materials for publication in the required formats no later than February 15, 2023; and specifically the materials should be as follows:

- project description in English (word file, max 1,200 characters)
- studio biography in English (word file, max 1,000 characters)
- studio portrait photos
- 12-15 hi-res jpeg photos at 300 dpi
